

**CLAN MACMILLAN SOCIETY OF NORTH AMERICA**

(CMSNA)

**Membership Form**

We would like to invite you to join us for the first time, or renew your longstanding membership, by completing this form and using the new payment methods outlined below.

The membership dues are \$15.00 for a person/family per year, but it is based on a two year term. Accordingly, **the fee for 2022 and 2023 is \$30.00**. Since we did not have a Gathering in 2020 or 2021 because of Covid 19, some people did NOT take out membership for that period. IF YOU WISH, you can pay for that period as well. We expect to have a Gathering in the USA (possibly Mississippi) in 2024 and then we will be back in harmony with membership renewal the same year as a Gathering. A membership in CMSNA does NOT include a membership in the main Clan Association, Clan MacMillan International (CMI), and all their benefits including News Letters, data banks, genealogy opportunities, discount in Clan Research, etc. However, it does give you the User ID and Password to get into the “locked” part of the CMI site.

A membership in CMI is encouraged and can be obtained on the CMI website at a cost of 20 GBP or \$25 USD, per year.
